OBJECTIVES

As a recent graduate with a Bachelor's degree in Civil Engineering, but i am enthusiastic about launching my career in software development. My strong foundation in Web Development, combined with hands-on projects during my studies, has equipped me with problem-solving and teamwork skills. I am seeking an entry-level role where I can contribute to innovative software solutions and continue to grow as a developer

EDUCATION

- **Sant Gadge Baba Amravati University, Amravati** 2023
Bachelor of Engineering, Civil Engineering CGPA:9.3
- **Dr.Virani Science Junior College Ralegaon ,Yavatmal** 2019
HSC State Board of Maharashtra Percentage: 65.23
- **Nehru Vidyalaya Sawargaon, Kalam** 2017
SSC State Board of Maharashtra CGPA: 88.40

PROJECTS

- **Excalidraw Canvas** HTML, CSS, JavaScript 🔗 Source Code
 - Versatile Online Whiteboard : Dynamic web-based drawing tool for creating diagrams, sketches, and illustrations collaboratively.
 - Intuitive User Interface: User-friendly platform with an intuitive interface for creating and sharing visual representations seamlessly
- **Portfolio Website** HTML, CSS, Javascript 🔗 Source Code
 - Personalized Resume Portfolio : Developed a visually appealing and interactive resume portfolio website showcasing my technical skills and projects.
 - Local Preview Available: Explore my portfolio website locally to view projects, code samples, and detailed descriptions, providing an in-depth look at my expertise in full-stack
- **Cookpal Food Delivery** HTML, CSS, JavaScript 🔗 Source Code
 - Food and Recipe Website Development: Created an engaging food and recipe website with a focus on user-friendly navigation and visually appealing presentation of culinary content.
 - Key Features Include: Implemented features such as a searchable recipe database, user-friendly recipe submission, filter recipies into veg non-veg and all categories,also arrange recipy according to their price enhancing the website's functionality and user experience.
- **Google Sheet Clone** HTML, CSS, JavaScript. 🔗 Source Code
 - Google Sheet Clone Development: Successfully designed and implemented a functional Google Sheet clone, providing users with a familiar spreadsheet experience for data entry and manipulation.
 - Key Features: Developed key features including collaborative editing, formula support, and data visualization tools, enhancing the project's usability and replicating the core functionalities of the popular spreadsheet software.

EDUCATION OR PROFESSIONAL DEVELOPMENT

- **Acciojob Institute** June-Dec-2023
Current Learning Experience Gurugram, Haryana
 - **Practical MERN Proficiency:** Actively mastering MongoDB, Express.js, React, and Node.js through hands-on projects for comprehensive full-stack web development skills.
 - **Real-World Problem Solving:** Applying MERN concepts to solve practical challenges, ensuring a deep understanding and practical application of skills in a real-world context.
 - **Continuous Learning:** Committed to staying updated with the latest MERN stack trends and best practices, prioritizing ongoing skill enhancement and professional development.

TECHNICAL SKILLS AND INTERESTS

Languages: C, Java, Basic DSA, Javascript, HTML+CSS

Libraries : Java Collection, ReactJs,Bootstrap

Web Dev Tools: Ajax, jQuery, Nodejs, VScode,IntelliJ Idea, Git, Github,Figma

Frameworks:ExpressJs,Restfull API

Databases:MongoDb

Areas of Interest: Full Stack Web-Development, Backend Development.

Soft Skills: Problem Solving, Self-learning, Presentation
